

ADELL COOPERATIVE SCHOLARSHIP APPLICATION

Objective:

To provide financial assistance to students who desire a career in an agricultural related field. Students pursuing majors outside agriculture may also apply, though preference will be given to those students pursuing careers in an agriculture related field of study. Adell Cooperative will provide 3-\$1000 scholarships to graduating high school seniors who are pursuing their interest in agriculture at a farm short course, technical school, or college. To be eligible, the student or the parent must be a patron member of Adell Cooperative or Co-Energy Alliance. Applicants will be judged on their leadership skills, scholastic achievement, extracurricular activities, motivation and academic and personal goals. The scholarships will be paid upon receipt of transcript showing completion of the first semester and proof of registration for the second semester. The following application is a guideline. We recommend that your application be in a Word format to present a more professional looking application. Scholarship applications are reviewed and awarded by an outside party with no affiliation to Adell Cooperative or Co-Energy Alliance.

Name _____ Birth date ____/____/____

Name of parent or guardian _____

Address _____ City _____ State _____ Zip _____

College or Tech School you plan to attend _____
