

Propane Driver

Are you an independent worker that likes to work outdoors with minimum supervision? Adell Cooperative has an immediate full-time opening for a Propane Fuels Driver position. The chosen individual will work at our LLC Company Co-Energy which is located in Adell, WI. Responsibilities would include delivering Propane in our Adell and northern trade territory. In the spring and fall this person will also be required to help deliver refined fuel products. This person would also be performing general maintenance and other duties when not driving. The qualified candidate must possess a valid CDL and Hazmat. Having a Tanker Endorsement and Class A is not required but is a plus. This position offers first shift hours and flexible scheduling and a full benefits package. Applications are available at 606 Tower Ave, Adell, WI 53001. Resumes should be emailed to adellcoop@excel.net. Deadline to apply is 04/30/2019.
